**The first cement company to be listed on the Italian Stock Exchange since 1925**

**Over 150 years-old successful business strategy implemented by a family-driven company in his fifth generation**

# Italcementi Group

## Grounded on sustainability

Economically and resource efficient, low impacting, and socially inclusive solutions **are strategic priorities to develop our business:**

*“... no source of value, whether related to human beings, natural or financial resources, intellectual capacity and use of time, shall be neglected or wasted” .*

- short term targets for 2015
- medium term ambitions for 2020
- long term vision for 2050
